"Success does not come from being a powerful leader; it comes from leading powerful people"

East Longmeadow, MA, July 6, 2018: Springfield Spring & Stamping, a global leader in the design and manufacture of Air Filter Holding Frame Clips is pleased to announce the introduction of our new line of UniVERSA and UniVERSA-Don prefilter clips for the air filter industry.

Our New and Improved SureGRIP™ PreFilter Clips are engineered and designed to effortlessly attach prefilters to plastic V-Bank filters. For information and installation instructions, please visit www.springfieldspring.com (Air Filter Holding Frame Clips and Accessories).

Springfield Spring & Stamping is one of the leading manufacturers of standard and custom air filter holding frame clips in the United States. We provide these components to some of the largest air filter manufacturers and air filter distributors in the United States, Canada, Europe, Australia and New Zealand.

At Springfield Spring & Stamping we design, manufacturer, assemble and package all our filter-clip hardware. Most of these components are inventoried for immediate shipment. Our clients tell us we make the highest quality and lowest priced clips on the market.
