

# Press Release

## **SPRINGFIELD** SPRING & STAMPING

---

**May 22, 2023**

### **Springfield Spring & Stamping to resume the sales and distribution of all standard and custom Air Filter Holding Frame Clips**

Springfield Spring & Stamping, a leading manufacturer of standard and custom air filter holding frame clips in the world, is in the process of transitioning our Distribution Agreement with EFC International. All orders and inquiries are to be directed to our Customer Service Team at 413-525-6837. Our website will be updated shortly with additional information.

At Springfield Spring & Stamping, we design, manufacture, assemble and package all our standard and custom filter clip hardware. We provide these components to some of the largest Air Filter manufacturers, HVAC equipment manufacturers, HVAC Contractors, and Air Filter Distributors in the world. We augment this service by providing engineering and application assistance which may require customizing standard filter clip designs.

Please call one of our knowledgeable inside Customer Satisfaction Associates (413) 525-6837 for additional information or visit our web site: [www.springfieldspring.com](http://www.springfieldspring.com).

Sincerely,  
Springfield Spring Corporation
